ROBERT YOUNG FREELAND SCHOOLS SUPERINTENDENT

Mr. Young and family came to Freeland the first part of July and are now living at 280 First Street, Freeland. They came here from Peck, Michigan, in the thumb area, where he was superintendent of the Peck School. Although school vacation has weeks to go, it is evident that each day, much scheduling, planning, and many other sundry duties must be attended to before the beginning of a new school term and Mr. Young and his staff are currently operating "full time!"

Mr. Young took his undergraduate work at Central Michigan University and received his M.A. from Wayne State University in Administration with additional work at Michigan and Michigan State.

He began his teaching career in 1951 in the New Baltimore, Michigan School System, teaching in his major field, Industrial Arts. He taught classroom for five years

and then went into the elementary principalship for the next three years from whence he took over the superintendents office in Peck.

Both Mr. and Mrs. Young spent most of their earlier life in Oxford, Michigan. They have four lively sons, David, 12, Bobby, 10, Stephen, 7, and Marc, 2.

They commented that they are becoming well adjusted in Freeland and find the people most pleasant and very friendly and invite you to drop in anytime to meet the Young family and become acquainted.

THANKS EVERYONE

The Tittabawassee Memorial Park Board wish to thank everyone who helped them raise \$285 for the improvement and repairs of the Park and Building. Thanks to the people who helped to do the work, about 35 of you, and to the Friendly Neighbors Club who donated the nice cakes and also the people who donated beans, potatoes, salad, and rolls. It was a fine co-operative effort that paid off. The apron booth alone made over thirty-five dollars.

FREELAND STATE BANK TO IMPROVE PARKING FACILITIES

The wooden building on the east side of the Freeland State Bank has been purchased by the bank and will be razed soon and the site will be utilized as parking facilities for bank customers.

The building, about sixty years old has housed many businesses including print shops, clothing stores and others. One of the first Business establishments was an undertaking parlor and furniture store combination, operated by a Mr. Wm.D. Johnson and family who made their home at the rear of the building.

The date of the completion of the parking lot is not yet known, but it is certain that this move will alleviate the congestion which occurs at the corners of Washington and Main on the "rush days" in town.

Cards of Thanks

Many thanks to our many friends for the kindnesses extended during the recent death of our sister, Thelma Bristol.

Joe Bauder Family

Mrs. Marcia Hetzel deeply appreciated and wishes to thank all her friends and relatives and the Methodist Church for all that was done for her and for the cards, plants and well wishes extended during her last two hospitalizations.

Little May came running to her grandmother holding a dry pressed leaf which was evidently a relic of days long ago.

"I found it in the big Bible, grandma," she cried excitedly. "Do you suppose it belonged to Eve?"

"Here's a tie for your birthday, dear. I wonder what would go best with it?"

"How about grandpa?"

...and then there was the fight manager who was looking for a bout for his boxer, but insisted that it be a fifteen-rounder. "My boy ain't so good in short fights," he explained.

Unfortunately, the manager couldn't get the long fight he wanted and had to agree to letting his man take part in a six-round preliminary.

Came the fight and his boxer was knocked out in the first round. With that the manager got up and yelled: "Didn't I tell you my boy was no good in short fights!"
